

HI-MAR Seminar Series 2009

Saturday February 14th

9 AM LIVE BAIT FISHING

Captain Bob Kamienski Kingfisher Sportfishing

Captain Bob runs a 29' Topaz sport fishing Boat. His specialty is live bait fishing. In the spring, it is live bait fishing for trophy striped bass with bunker. During the summer, it is live bait for doormat fluke. In the spring, Capt. Bob has a custom 100 gallon live bait well for large bunker. In the summer, he exchanges the wells for a smaller 35 gallon tank. Captain Bob will be demonstrating his tournament proven methods of fishing live bait.

10 AM Early Season Surf Striped Bass

Allen Riley The New Jersey Angler

Allen Riley's writing career includes over 125 surf articles in *The Fisherman* during his 15 years. He began contributing surf features to *The New Jersey Angler* Magazine in 2003 and was named a Field Editor in 2004. His morning surf report is posted online at njangler.com ("Staff Fishing Reports") most weekdays during the fishing season. Allen will talk about the early spring striped bass run along the Raritan Bay shore and North Jersey coast. You can also find Riley's surf fishing features in the "Hook, Line & Sinker" weekly supplement to *The Asbury Park Press* and *Home News Tribune*. He represents *The New Jersey Angler*.

11AM "Where the Bass Are"

Captain Jerry Beaver Charter Boat Teacher's Pet

Captain Jerry operates the custom equipped 38' TOPAZ Teacher's Pet. Primarily fishing for striped bass from May until December; Captain Jerry has the reputation of putting his charters on fish. Captain Jerry will be talking about locations, areas that hold fish and the types of fishing that produce bass on those areas. Want to know where the fish are?
